Albany Cottage, in the heart of Coffs Harbour, is designed for those seeking emergency accommodation, holiday supports or respite care for disabled visitors to Coffs Harbour and the Mid-North Coast.

Available 24 hours a day, seven days a week, the cottage offers a homely environment for those in need or in crisis. The cottage has three-bedrooms and sleeps 8. There is a combined kitchen and dining area, lounge room, bathroom, sun room, laundry, a fully fenced secure back yard, and off street parking. It's situated right around the corner from the CBD so it's close to all amenities. It's also wheelchair accessible, with no stairs required for entry, extra space around beds and wide entrances.

We also use Albany Cottage as a neutral location for supervised access and holiday respite.
