DO YOU NEED CLINICAL & NURSING CARE IN YOUR HOME?

As a registered provider of Aged Care and NDIS Services, we know your support and healthcare needs can change.

Subee's **In-Home Support Team includes Registered and Enrolled Nursing staff**, who can provide Nursing and Clinical care in your home, even if you aren't an NDIS and Home Care Package client. If you are an out-patient, new or existing client or just need short-term **nursing care in your home**, get in touch to see if Subee can help. And we can also assist you in accessing required **medical supplies and equipment**.

You can trust you are getting the very best in care, safely delivered in your home, because all our clinical team must pass the wide array of professional oversight and accreditation necessary. We think it is important to offer our clients the best people to provide the best care we can.
