

Clinical & NURSING Care

OUR FULLY QUALIFIED, AHPRA REGISTERED NURSES AND ENROLLED NURSES, ARE AVAILABLE TO PROVIDE NURSING & CLINICAL CARE

Safety MATTERS

TRUST A TEAM WHERE EVERY NURSE IS FULLY QUALIFIED, EXPERIENCED, RISK ASSESSED, SCREENED, TRAINED, INSURED AND RELIABLE.

Training MATTERS

OUR ENROLLED & REGISTERED NURSES HAVE ALL PASSED THE RIGOROUS QUALIFICATIONS NECESSARY TO ACQUIRE REGISTRATION WITH NMBA AND AHPRA.

DO YOU NEED OUT-PATIENT OR SHORT-TERM CLINICAL & NURSING CARE?

As a registered provider of Aged Care and NDIS Services, we know your support and healthcare needs can change.

Subee's **Support Team includes Registered and Enrolled Nursing staff**, who can provide Nursing and Clinical care, even if you aren't an NDIS and Home Care Package client.

If you are an out-patient, new or existing client or just need short-term **nursing care**, get in touch to see if Subee can help. And we can also assist you in accessing required **medical supplies and equipment**.

You can trust you are getting the very best in care, safely delivered, because all our clinical team must pass the wide array of professional oversight and accreditation necessary. We think it is important to offer our clients the best people to provide the best care we can.

NDIS • AGED CARE • NURSING

So get in touch today, on 02 6651 3153 in Coffs Harbour or 02 4966 8399 in Newcastle.
Talk with our team to see how our Support team can help you.

Reliability **MATTERS**

WHAT HAPPENS IF YOUR NURSE IS SICK OR ON HOLIDAYS?
HAVE OUR TEAM ON YOUR SIDE – AVAILABLE 24/7/365.

AGENCY AND NURSING STAFF

Our fully qualified team of nurses and our Support staff are also available to other health and support agencies to support their client's needs. We work with Aged Care and NDIS providers as well as providing **Agency Staff** to residential aged care facilities, group homes, and other support services in our communities.

Our skilled staff provide a wide variety of services including aged care, complex, mental health & behaviour supports, plus intellectual, physical, and cognitive impairment support.

CLINICAL SERVICES INCLUDE:

We can deliver Clinical and Nursing care, such as:

- Wound Care and Medication Management
- Out-Patient Care
- Subcutaneous Injections Management
- Dysphagia, Safe Swallowing, and Mealtime Preparation
- End of life and Palliative Care
- Enteral Feeding and Management
- Seizure Care and Management
- Caring for people with Diabetes or Dementia
- Bariatric Care and Management
- Infection Control & Waste Management
- Recognising and responding to deterioration
